Works & Utilities News

Residents encouraged to practice mosquito control

The Public Works Environmental Services Division's mosquito team monitors and tests mosquitos each summer looking for disease. While not a reason to a panic, the team recently detected the West Nile Virus in mosquito in Henrico earlier than usual.

DPW recommends residents take extra precaution to prevent bites. Tips include using an [EPA-approved repellent](#), wearing

loose-fitting long sleeves and pants, and reducing time outdoors at dusk.

Henrico residents can schedule a [free inspection](#) with the mosquito team to help locate potential mosquito breeding sites on their property. The Centers for Disease Control and Prevention also has [guidance](#) on preventing bites on their website.

**Public Utilities' 2023
water quality report now
available**

Each year, DPU publishes a water quality report detailing its test results and how they relate to state and federal standards.

All regulated and unregulated substances are within normal limits!

DID YOU KNOW?

Public Works, Utilities rely on resident reports for potholes and other requests

Notice a pothole on your road? Please let Public Works know! DPW and DPU rely on reports from residents to stay on top of maintenance needs throughout the county.

Recently, a resident reached out on [Facebook](#) about an issue with a pipe on her road. Public Utilities dispatched a crew to inspect the road and pipe, and the issue has been resolved.

[Let us know about requests in your neighborhood!](#)

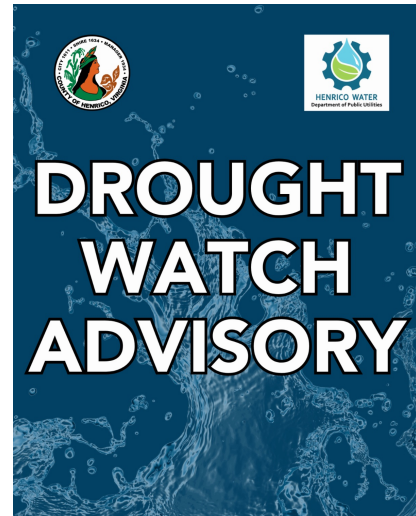

Drought watch issued in Virginia

The [Virginia Department of Environmental Quality](#) has placed Henrico and 94 other localities in a drought watch advisory.

Public Utilities encourages residents to practice water conservation where possible. Examples include refraining from lawn watering, running full instead of partial loads in your washing machine and/or dishwasher, and making sure any leaks in your plumbing or toilets are fixed.

Free WOAH! vests are available

Have you picked up your free WOAH! vest, yet? We've been handing them out all over the county to promote pedestrian safety. Vests are available in adult and kids' sizes.

Vests are available by request at Henrico's government centers, libraries and police stations. Pick up yours today!
