Works & Utilities News

Works, Utilities hiring for multiple positions

Public Works and Public Utilities are **both** hiring for multiple positions. Engineers, heavy equipment specialists and others are invited to apply! Visit the [Henrico Jobs](#) website to search for open positions.

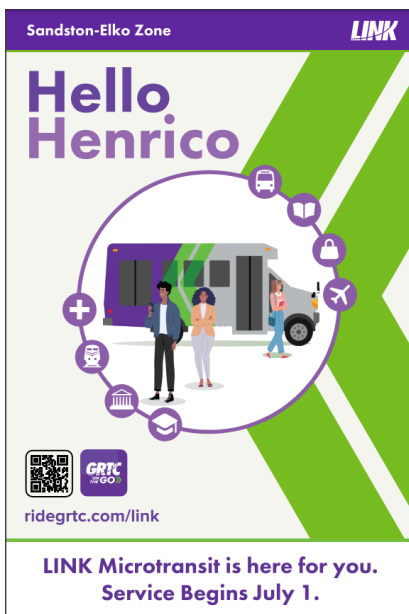

Experience not necessary for some positions.

PlanRVA seeking input on reducing greenhouse emission

Henrico County is working with regional partners on a plan to reduce greenhouse gas emissions. In this effort, [PlanRVA](#) is seeking public input on ways to make our community climate resilient.

New GRTC Microtransit coming to Sandston

Beginning July 1, Sandston will have a new [GRTC LINK](#) Microtransit zone! Those in the area can use the GRTC app to call a van, which will arrive within 20 minutes. LINK will take you anywhere within the zone — including GRTC bus stops to go anywhere on the GRTC lines.

Watch for more information coming from Public Works and GRTC on this exciting announcement.

Cobbs Creek Reservoir preparing to fill — and saving turtles!

Construction crews at Cobbs Creek Reservoir, a 20-year Henrico County project located in Cumberland County, are preparing the pipes to be filled this summer. What they didn't expect to find were turtles in the pipes! Watch how DPU crews reacted to finding new friends 160 feet underground. **Stay tuned for more Cobbs Creek news this summer!**

Schedule a free mosquito inspection

It's nearly summer, which means the mosquitoes are out (and biting!). Contact the mosquito division in Public Works to schedule a **FREE** inspection on your property!

Free WOA! vests are available

Have you picked up your free WOA! vest yet? We've been handing them out all over the county to promote pedestrian safety.

Vests are available by request at Henrico's government centers, libraries and police stations. Pick up yours today!
